

Holy Family Catholic School

Room Parent

Sign up and Party Information for 2009-2010

I hope the new school year starts off well for your children but it is now time to think about room parenting. A room parent helps plan and host the classroom parties, takes part in calling trees when needed, and helps find field trip volunteers throughout the year for the classroom. Room parents do not have to run the parties all by themselves, their main job is to help coordinate the efforts of all the parents in the classroom. Through the year we utilize the schools newsletter to promote parties and ask for volunteers as well as class room notes. If room parenting is something you would be interested in please sign up by contacting Bridget Martinez (Holy Family Room Parent Coordinator) at 296-7468 (work), 354-7414 (home), or email me at bridgetm@ksdot.org. If coordinating parties is not something you would like to do, please volunteer to help by signing up when parties are near for treats or supplies. Remember the parties are always open to everyone...so if you can come and enjoy the children, it will always put a smile on your face.

Below I will list the times and dates of this year's scheduled parties...mark your calendars. Remember sometimes even the best laid plans can change, but we will always try to let you know with as much advanced warning if changes occur. **You can also keep track of changes and dates though the weekly school newsletter and school web site...**they try to always keep them as current as possible.
