

PTO Can Day – Everyone Can Be Involved

Why? PTO uses the proceeds from can day to pay for activities such as the Cultural Arts Program, the Science Olympiad team and purchasing books for the students.

When? 2nd Wednesday of the month.

Where? 3 convenient drop off points:

- Behind the school in the cul-de-sac drop off.
- On the sidewalk across from the paper recycling bin South of the school.
- Along the fence next to the football stadium.

How can you help?

- Save your aluminum or ask neighbors and family to collect aluminum for you.
- If you have a pick-up or trailer and can spare a couple of hours once a month, come help us haul the cans to the recycling center and unload them. It takes about 2 hours of time.
- If you don't have a pickup and would still like to help, you can always come and help us unload the cans.

New this year - If we get 550 lbs of cans, the entire school earns a dress down day.

Helpful Hints

- Collect aluminum only. Soup cans are not aluminum.
- If possible, don't double bag the cans. We have to dump each sack of cans individually.

Questions? If you have any questions or would like to help with can day, please call Joann Lavery at 962-7812
